## IMPORTANT UPDATE ON FDOT WORK AT ENTRANCE

As part of the FDOT project along Pecan Park Road at the entrance of Bainebridge CDD, the road crossings for the water main is anticipated to begin the week of June 18<sup>th</sup>. It is also anticipated that the water main tie in will take place on June 25<sup>th</sup> and June 26<sup>th</sup>. At that time the contractor has urged residents to limit their water usage which would include irrigation as a proactive measure during the tie in to attempt to avoid line breaks.

Please monitor the message board that FDOT will be providing at the entrance for important updates on the tie in time frame and requested restrictions.
